Mission & Vision

The Office of Transfer Student Services will support all transfer students, after the point of admission, by facilitating seamless pathways and encouraging programming and resources to ensure successful transition, persistence, and graduation.

The Office of Transfer Student Services provides students engagement opportunities for academic and social integration by increasing the student’s self-efficacy as they transition and are retained through graduation.

Framing future Foundations of Excellence Conversation

1. Find your group’s table
2. Assign a note-taker and a time keeper
3. You have 25 minutes to discuss
4. Each group will report out (10 minutes)
5. Please send group notes to OTSS@iupui.edu
• Groups Red & Green:
  • What is IUPUI doing well?
• Groups Yellow, Pink, & Double Red:
  • Where can IUPUI improve?
• Groups Blue, Double Yellow, & Double Green:
  • What are IUPUI’s obstacles to improvement?

THANK YOU
